The screenshot displays the 'ACCOUNTS' section of the VTC-pro software. The interface includes a navigation menu with 'accounts' and 'register user >>' options. An orange arrow points to the 'register user >>' option. To the right, a 'Login' section contains input fields for 'E-mail' and 'Password', a 'Hide password' checkbox, and 'register' and 'cancel' buttons. A note at the bottom right states: '\* Fill both e-mail and password before pressing register butto'. The 'register' button is highlighted in orange.

# TIME TRIAL

VRC Super Speedway Long

welcome to **VRC Super Speedway Long - Virtual RC land**

time trial >>

This version of the RC Super Speedway, part of the VRC World Complex, combines the super fast sweeper corners of the oval with a demanding infield which elevates this track to a full blown road course. This track will regularly feature on-line race events and multiplayer sessions for both full and trial members.
